The WSCA Industrial Supplies and Equipment, Janitorial Supplies and Equipment, Lamps and Light Fixtures contract no. 6416 (Grainger) issued under SPO Price List No. 02-32 contains a selection of fluorescent fixtures, and is "secondary" to this contract. **If the SPO price list vendor is unable to deliver under the terms of this price list or the product is not suited to the agency's needs, the Grainger contract may be used after first obtaining a SPO form-5 PL waiver.**

STATE'S COMMITMENT. Agencies of the following purchasing jurisdictions are required to purchase from this price list:

- Executive branch agencies
- Department of Education
- Judiciary

A purchasing jurisdiction may elect not to extend its commitment to this contract beyond the initial contract term. Further, a purchasing jurisdiction not participating in the contract may, at the earliest, commit to the contract at the inception of a contract extension period, if any.

EXCEPTION TO THE PRICE LIST. When the use of the price list is not suited to an agency's purpose, the appropriate purchasing jurisdiction may grant an exception to purchase outside of the price list. For this purpose, Executive Branch agencies shall use SPO Form-5, "Request for Authorization to Purchase Outside of the Price List", available at the SPO Website, www.spo.hawaii.gov click on "Forms" for State Agencies" in the Procurement of Goods, Services and Construction, Chapter 1030. USE OF PRICE LIST BY NONPROFIT ORGANIZATIONS. Pursuant to Section 103D-804, Hawaii Revised Statutes (HRS), nonprofit organizations with current purchase of service contract(s) (Chapter 103F, HRS) have been invited to participate in the State Procurement Office's (SPO) price lists.

If a nonprofit organization (hereinafter called "nonprofit") wishes to purchase from a SPO price list, the nonprofit must obtain approval from each price list vendor, i.e., participation must be mutually agreed upon. A price list vendor may choose to deny participation by a nonprofit. Provided, however, if a nonprofit and price list vendor mutually agree to this arrangement, it is understood that the nonprofit will retain its right to purchase from other than a price list vendor.

UNIT PRICES include delivery to destination and all other costs **except** the Hawaii General Excise Tax, currently 4%. Agencies are requested to add the 4% tax to their purchase order total.

ORDERS shall be issued on an as needed basis during the price list period. It is the responsibility of each agency to insure timely issuance of orders. Do not issue orders specifying delivery after the price list expiration date.

"SPO PL NO. 05-18" should be noted on purchase orders issued against this price list.

In the interest of minimizing both purchase order processing and dealer's delivery costs, agencies are urged to consolidate on each purchase order as many items from as many price lists as possible and to issue those orders as soon as possible.

DELIVERIES. Contractor shall deliver to destination within five (5) calendar days unless otherwise directed by ordering agency. Agencies may direct the Contractor to place their order in "will call" for agency pick-up. Orders placed in "will call" shall be available for pick up within three (3) calendar days.

INSPECTION. Agencies are advised to inspect merchandise delivered immediately upon receipt and report any discrepancies to the vendor within five (5) working days from delivery date.

FAILURE TO DELIVER. Vendors are obliged to deliver the items listed on this price list. Agencies are advised that if an order is placed and a vendor is unable to deliver within the time allowed for delivery, the agency should arrange with the vendor for an acceptable substitute. Vendor shall deliver an acceptable substitute at the prices listed after the prior approval has been given by the order agency.

WARRANTY. Items furnished by the Contractor shall be guaranteed by the Contractor for a minimum of ninety (90) calendar days from date of purchase against defects resulting from the use of defective or inferior materials, equipment or from negligent workmanship.

Contractor shall replace or repair any defective workmanship or material at no cost to the State for labor and parts during the warranty period, provided such defects are not due to abuse or negligence on the part of the State. Replacement of defective items will be made within 24 hours after request has been made by the State agency.

VENDOR EVALUATION form should be used to report complaints or commendations; a form is attached for your convenience. Agencies are encouraged to use the form whenever appropriate. Fax completed form(s) to the State Procurement Office, facsimile 586-0570.

In the event a complaint regarding a vendor's product or performance is filed, the agency may request a meeting with the vendor at the agency's place of business to resolve the problem. This meeting should take place within one week of the complaint.
